“ *I enjoyed knowing Tommy on the many new homes he set his hand too in his career as a journeyman carpenter. I also was in the Air Force and loved motorcycles although I didn't know we had that in common when I knew him. A toast to the host of men who fly.*
" Oh I have slipped the surly bonds of earth and danced the skies on laughter-silvered wings. Sunward I have climbed, and joined the tumbling mirth of sun split clouds and done a hundred things you have not dreamed of."
Norm David, Airman, friend.

“ I had the privilege of spending this past Independence Day with him with family and friends. He gave me some cool glasses to wear to watch the fire works. A very laid back and open minded individual, great conversationalist. Overall wonderful person. He would give you the shirt off his back if you needed it. He will be truly missed.
