“ To Nancy & the family,

*Spending time growing up as a child in your home holds so many wonderful memories for me! I'm sure they do for both of my cousins Chris Garrett & Duke Mylum who were there too! Even though they both had to go pick their own switches regularly or get whacked with the fly swatter. I learned so many things during my precious time growing up as a child in your home & fortunately I never had to go pick my own switch or get swatted!*

*Chris & I were there for the immediate aftermath of your families darkest time & the loss of the, "funny guy," we both looked up to - no pun intended! That was our first introduction to loss & the family only became closer. Yes it took some of the luster off of everyone's sparkling eyes & rightly so for a very long time! But the Patriach Thurman as we called him & the Matriarch Nancy doubled down on their love & affection for everyone! Two of the strongest, kindest & extremely well loved Sandstonians to be sure!*

*I know the Lord certainly has a wonderful, loving & no kinder man than Thurman & I can only imagine in my minds eye the reunion he had with Glenn when he got there!*

*Sending so much love & many prayers to Nancy & you all at this tremendous time of loss & Go Trump ❤️🙏❤️🙏❤️*

*All My Love,  
Sarah Schesventer*

“ Thurman was a great neighbor to us at Bethpage. He taught us how to do crabs and I won't eat them any other way! He watered my flowers every day. I called him my water boy. I loved his hunting stories and his fishing stories. He was great at both! We lived thru a hurricane together running from camper to camper checking on our boats. We missed him and Nancy so much when they left Bethpage but they did sell to a great person. May you rest in peace!❤️🙏
