“ *Tim welcomed me into his family & told me I was family which was really an honor! I was always hanging out at the Francis house in Belcamp. I met many people through the Francis Family and have memories that will last a lifetime. Tim was always doing something from cooking to playing softball, taking a nap (which he loved) because he spent many hours being a truck driver. He had so many people he would call friends & family from co workers to neighbors to his extended church family. Lots of great times, many memories of fun & laughter. Thank you for all the many wonderful moments & you are extremely missed. God Bless you my friend !!*
