“ It's Savannah, I remember when you used to take me to the buses every other morning and we would feed the animals and race back to your truck. Then when we are going to bus stop we'd listen to 96.5 and whenever ad to the bone came on you would turn it up loud and we would sing together. I miss it and I miss you. If I had one wish I'd use it too see your face again and get to hang out even if it was a day. I wouldn't mind spending the day with you i miss you so much. I love you Pall Pall.
