

## Timothy Patrick Mills

October 22, 1963 - November 23, 2024

He was a man who loved telling stories about when he served in the Army. He loved his country as did his grandfather before him.

He is survived by his three siblings, Deborah, Raymond, Dewey McMahan. He is also survived by their Aunt Jennie and Uncle Philip.

He was a good listener and friends with many across social media and those close to him. His smile and laugh was the signal of a good time ahead. He cared deeply about others. He also cared about his scooter that he drove everywhere.
