“ *Tim,
It is way too early in this life time to have had to write a memory of you. I am thankful we were able to reconnect over the past several years. That we were able to share about our families and our lives now. I am so thankful you were able to share your life with Sandra, and your beautiful family. And we had both come to know Jesus. 😊
There has not been a fall that passed that I have not remembered the times that you and Ross and I drove around in ‘Big Red,’ and that was also the name of your favorite gum 😊. When you all would pick me up from work downtown Richmond. The times we rode around in “Red.” In the snow in the winter and spring of 1980. You were a very good friend to Ross and me, thank you. My prayers are with Sandra and your family. You are cherished always in my heart.
