“ Aunt Tina. You basically were the mother that loved me. I enjoyed my visits to you and our long telephone conversations. You were a great mother, wife, sister, aunt and friend. Why couldn't more people be like you? It's like I lost a best friend when you passed. You were my lifesaver when I thought I never mattered to anyone. I loved you then and I love you now. You made a difference in my life. Thank you from my heart. I know you are in Heaven because you were an Angel on earth. I will keep you in my heart all the days of my life.

“ Danny, Robbie, Bruce, and Tom....I am sorry to hear that Aunt Tina has passed. To live a life for 95 years is really accomplishing something. I'm sure my mom welcomed her with open arms as they were good friends for so many years. I send my deepest condolences and love to all of you. Love...Ruth Elaine
