“ *Words are hard to come, but I am here to say Tracy was loved by many and shared a love that was real. A love for others in ways that some would have turned away from or expected something. His heart was huge and I am thankful to have known him and pray his memory will continue through the lives he touched.*

We will continue to carry Laura and Hope in our hearts and prayers and be here for them if they need us. RIP our precious friend.....Tracy we will see you in the morning!*

Mr. Ayers was a very kind man. I was very sorry to hear of his passing. He was a very special man of God that would leave you with the words of the Lord. His last words to me and my husband after towing his truck home for the 4th times, was this " don't look at your situation because Jesus is bigger than it, trust in Him and the situation is gone. I will always remember this and will keep his family in prayer as the Lord lean them though this sad time. Julesaint and Nellie Verilus
