“ *Pernell, sorry to hear about your mom. Nothing can prepare one for what you know is coming. I hope that you find peace that she is no longer suffering. Find peace that you did everything possible in her last years to keep her as independent as possible. She could not have asked for a better son!*

*We love you!

Angela - November 09, 2016 at 01:19 PM

JM

And what a lovely angel she is now. Vada was a sweet down to earth country woman who was the glue that kept her family together and the mother of my dear friend of many many years, "Angela". My deepest condolences to you, Pernell and Eston.
