“ *I worked with Buck for years at Southern States and Perdue. I'm shocked aand saddened as I'm just learning of his passing. He was a kind soul and so much fun to work with daily. He had a great sense of humor and I greatly appreciated his friendship. I believe that he loved the Lord and I look forward to seeing him again. Rest in peace my friend.*

Vance, I will never forget when I came home last September 2019. I knew your name but it slipped by me. You would not tell me your name. Ms. June said the first letter of his name is V. I said Vance -my goodness. And all you could do was laugh.
