“ Such a wonderful, beautiful, warm and very welcoming kind hearted woman... I've never forgot you and the kids and grandkids,

(I hope you forgive me.)..unfortunately I let work and life get in the way of me saying I'm coming to visit every year, and then another year comes and another. We will all miss you but I'm sure all of your other love ones who has passed will be extremely HAPPY to see you!!!

To the rest of the family, I am so so sorry for your loss, hang in there and think about all of the great memories you have..... It will be hard, still grieving my mom of 2yrs, but Trust In the LORD and I promise it will get better !!!
