God saw you getting tired
and a cure was not to be
so He put His arms around you
and whispered, "Come to Me."
A golden heart stopped beating
hard working hands at rest.
God broke our hearts to prove to us

He only takes the best.

Take him in your arms dear Lord.

Treasure him with care.

Make up for all he suffered

And all that was unfair.

To some he may be forgotten,

To others just part of the past.

But to the ones who really loved him

His memory will last and last.
