“ I worked in the James City County complex with Vicki and am so glad that I knew her. I saw her this past year and we chatted for a few minutes. So glad I had the opportunity to speak with her. My sympathy to the family.

“ *Sincerest condolences to Bob, Robin, Roger, and all of us family remaining here on Earth. It was a great childhood blessing to share in many of the trips to Pennsylvania referenced in the obituary, which describes Aunt Vicki as I remember her - smiling, rooting for the Steelers (not sure how some of her kids chose other teams as their favorite), and the person who brought my cousins to Pennsylvania for the holidays and welcomed us into her home on our treks to Virginia. Praying for peace for the family during this time of sadness and comfort in the good memories.*
