“ My mom use to take us to BuckRow Beach every summer...While we were there Her and her friend Sandra would go out on the pier and grab all night and half the day ...when they were done they would come back to the hotel and cook them in the room.once they were done and they got some rest they would get up and take us kids to the recreational park up the street ..I remember having a ball everytime we went .She was a single mom of 4 ...but she always seem to find away to make sure we had a good time...Love and miss her terrible

“ Vicky was one of my best friends when I was growing up. She was always a true friend and was always remembered because of her eyes. She was beautiful girl and person. I just recently reconnected with her and am sorry that I did not get to spend more time with her. My prayers go out to her entire family. She will be truly missed by all.
