“ *Mama, your time with us was so short. We wanted to keep you forever but when God took you home to be with Him, He left each one of your children a bit of you in each of our hearts. You gave us the most wonderful childhood anyone could ever want. You taught us love, compassion, kindness and the importance of sharing. We love you will all our hearts and you will go with us day by day in every situation we are in, we will remember what 'mama' instilled in our hearts.*
