

Violet Katherine Morris

April 7, 2010 - September 1, 2023

Violet was a rare soul, full of passion and creativity. The fire in her burned so bright you couldn't help but admire it. She embraced who she was and helped others to do the same. To know her was to love her. Talented, eccentric, ambitious, wild. She was lightning and thunder and everything in between. She poured herself into those around her. She was fun and quirky and very uniquely Violet. She will always be with us because she gave us all a little piece of her whenever she smiled or danced or sang. Violet, my dear, you will always be my favorite Gilmore Girl
