“ *Keith & Family;
So sorry to hear of Virginia's transitioning. She was such a sweet, compassionate person. I worked with her many years at King & Queen Elementary School & we continued our friendship until her health began to fail - occasionally meeting at Nick's for a meal. I will miss her dearly. I pray God's strength upon the family during this difficult time.*

I can still remember seeing them all tucked in Auntie's bed on a cold winter's night ! She has been a part of my life . like forever .. no matter where she was or what she was doing there was always time to " Shoot The Breeze ! “ Much sincere sympathy to Keith, Beth, and to all members of our family.

Virginia Carey was such a treasured and supportive aunt to me. Everyone who knew Virginia loved her spunk, her fun spirit, her compassion, and the fact that she was never at a loss for words. When you were in her company, you always knew exactly how she felt and you were guaranteed to be filled with laughter just by talking with her.

Her appreciation for life, her love of gardening and the beach, and the special times we shared whether during her visits to me in Florida or my trips back home will always be fond memories I hold close to my heart.

Please soar high, Virginia Carey. Say hello to my mom Lois, Nannie, Grandma and Granddaddy Sears, and Aunt Joyce for me. I know you are now a new bright light above, watching over your family below.

I always spelled her name with an “e” as Carey, and she would always say “you can spell it how you like, I will still answer”! ☐
