“ *God Bless Virginia Browder. I remember her just as she was in this picture. She was loving, caring and a lot of fun. She changed my life when she gave me this piece of advice. She told me to live my life the way I wanted to and not to let people try to force me to do things that I did not want to do. She leaves a strong legacy in the many people whose lives she touched. All of our love to this wonderful woman. God Bless her son and grandson.*
