“ Aunt Ginny, my mother's baby sister...  
Matriarch mother of the greatest family. I know we will miss your laughter and strength but, most of all your dedication in seeking God's will in our lives. The Lord was merciful to have allowed us to know you and experience your love for everyone. I know how much you missed your mom. Because of your faithfulness, I'm certain our Heavenly Father allowed your mom to greet you upon arrival.

“ Virginia was one of the sweetest people. There wasn't a person who she wouldn't help. As a previous Office Manager at First Baptist, there wasn't a person who helped me more than her. She also became a good friend of mine and a wonderful Sunday school to my son. She gave to so many and her time on earth was a blessing to all that were blessed enough to know her.

“ My deepest sympathy to Virginia’s family. She was so good to my mother when she was having some health issues.. We appreciated all that they did for her. My mom attended church with her and Lloyd and they were good neighbors to her. Blessings always, Irene Crump

“ Oh what a difference she made in so many people as she was a soul searcher and if you happen to have screwed up some where in your life .. it was like she had the eraser in her hands to completely delete that episode and give you that smile and say let's give this another try ! I am thinking about all of her Old School remedies that she carried with her for her whole life and I hope that this will be a huge part of her Legacy !!! R.I.P. ~~~ My Friend.
