Before Pastor Cline delivered the eulogy today, I was in the pews remembering my awkward youth and how Vivian taught me to two-step at the Viking Hall. She recognized my frustration and was sweet and kind enough to help me out. I still can't dance a lick, but I have more confidence. Ted, she was truly a remarkably wonderful lady. Peace and love to your family Craig.

“ Vivian was such a sweet person, always had an instant smile when we met. During a conference in San Francisco back in the 80's which workers from York and James City County attended, we all banded together for shopping and dining during our free time. Vivian knew of several good places to go and she was such fun to be with. My last memory of seeing her and Ted was in October at the fish fry at the JCC fire station. Again, there was that sweet smile. May she rest in peace. Regina Crouse
