“ John and I have so many wonderful memories of Walter. He was a kind and accomplished man who was devoted to his family. Walter built two buildings for us. He and Bubba were a joy to be around. Walter was also a tremendous help to me with dog food for my dog rescue which he supported. I bought good dog food at reasonable prices from him for years and he delivered it for free. I remember how much Walter loved dogs, gardening, spending time in the woods, service trips for his church, and of course his beloved Tippy. While he will be greatly missed, all can be happy knowing that Walter is with Bubba, Tippy, and his Maker. Godspeed Walter!

“ Our team will miss Walter. I will especially miss our visits and watching the Price is Right and talking about your days of hunting. You always had a "little" smile and would laugh at our visits. I will miss Ms. Lois and Penny as well. Walter has been given his wings to fly high and he will be hunting away.

“ Walter was a man of his word, a gentleman, and servant of God. His love of nature, hunting, and especially his dogs were a big part of his daily enjoyment. I know him as a family man, devoted to his wife Lois, Bubba and Penny. In his last days he talked a lot about his family memories and Tippy. I know his soul rests in Heaven.

“ Walter was like a second dad he was always there when I needed help or advice and he would tell you straight like it was . Enjoyed joking around with him and picking on him about pink and snakes haha . Enjoyed the many good times of hunting with him , family gatherings and going out eat (one of his favorite things to do) and helping him with the garden and picking vegetables for him . I’m glad I got a chance to make him some venison and baked potato a while back and got to see him and Lois for a little bit before I went to work one afternoon . I will miss him greatly he was a good friend and father figure . Rip Loving until we meet again on the other side buddy !
