“ I had the privilege of knowing Walter for several years and admired his love of life. As a baby he came into this world with major health issues which were ongoing. I remember him dealing with his illness as a champion and never complaining. He would be at the kingdom hall as often as his circumstances would permit. He was frequently in the hospital due to an illness when his health improved he would be at the meetings wearing a smile. He never discussed his pain or hardship he faced constantly. I am extending loving sympathy and comfort to Kendra, Walter Sr., Crystal, Peyton, Geneva Phillip. Phyllis, and all who are saddened by this loss. When Jesus dear friend Lazarus died he gave way to tears knowing that he had the ability to resurrect him. That is how traumatic it is when someone losses a dear loved one. Jesus had human emotions and felt the pain of others. When Jesus called Lazarus out of the grave he came out alive and well. That is a sure founded hope contained in the bible and we can be assured that many who are asleep in death will arise and live again on a paradise earth full of love and righteousness. John 5: 28,29, Matthew 37:29, Revelation 21: 3,4

Though we didn't have Walter, Kendra, & Olivia very long in the  
Colonial Heights congregation, we are truly saddened by the news  
of Walter's death. Our prayers are with the family, and please allow  
Jehovah now to be the God of comfort, as we are assured in the  
scriptures he will be for us during these stressful times.*
