“ I have so many fond memories of Wanda from when I was growing up. Lesty, Wanda and all the kiddos coming up from Kenosha to spend weekends with Mom, Dad and I. Wanda was an amazing card player! She loved spades, 500 but especially Canasta. It was nothing for her to meld and then lay out all her cards and go out; sticking all of us! She was very supportive of me when I choose to go into nursing. When I had to take my state boards in Milwaukee, her and Lesty, let us spend the night at their place in Kenosha so I wouldn't have to drive so far the day of my boards. We stayed in touch throughout the years. She will be missed!
