“ We are truly sorry for your loss. I didn't really know Wanda, however I did see her a few times. One look at Wanda and you could see she was special. She had a smile that went straight to your heart. She was happy being around the children of God, her glorious energy was contagious. She just made me feel like I was at home. Not bad for someone who had no idea who I was. That's what I remember. I also know she brought up a beautiful daughter who loves and serves the Lord. So Mrs. Wanda, God Bless and welcome you to His Holy Kingdom. We will all miss you and cherish the time spent with you. No matter how little that time was.
