

Wayne Morris Crawley Sr.

August 11, 1950 - February 14, 2022

The first and only Son of the late Goldie M. Piatt (Crawley), Wayne M. Crawley Sr. was born on August 11, 1950 in Richmond, VA. He graduated from Maggie L. Walker High School in 1967 and went on to join the Army and Navy. He proudly served his country for several years until he was honorably discharged.

Wayne was a proud Vietnam Veteran who lived a very colorful and full life that was made complete by his family; especially his grandkids and great nieces. He was undoubtedly the biggest Dallas Cowboys fan on earth and didn't have a problem repping his boys win or lose.

He enjoyed the simple life; long drives to the mountains, lengthy conversations about the latest news stories, fishing on the river, venturing out to local restaurants, and loving up on his family until the very end. The license plate border around his plates read "Vietnam Veteran Leave Me Alone" and if you disturbed his peace you would definitely feel the wrath.

Wayne had several health challenges during his life. However, he never allowed them to impede upon him living his very best life. In honor of Wayne, we, his family, charge you to do the very same; live your very best life!

“ A pivotal time in my life happened with my brother. He helped me let go of my fear and take a big step in my life. I will never forget that moment nor our other various conversations. He had so much stubbornness, that I would laugh at some of his stories and then later shake my head. I will miss you Wayne. Love you brother.

“ Every moment with my brother was a memorable moment, as he was a character. I will miss our phone calls and the pop-up visits he often made to the house. He always had something to share, including news of a new animal species (information that his phone told him). One story of many. Rest in peace my brother. I love you!
