“ Mrs. Paul, Brigitte, Gudrun, Joerg and all your families, we are so sorry to hear this news. Even more sorry to not know in time to be with you. The years have a way of moving on and we find ourselves losing track of some of our very precious friends. It's been quite a while since we've been together but please know you've never been farther than our hearts. Right now our hearts are numbed and saddened by your loss. We appreciate all the times we've had with your family and always enjoyed being with Mr. Paul. Remembering his sweet, mischievous smile and joy for having a good time and praying that your many memories will bring you comfort. Love, Kenny and Michele Smith
