“ *Exceptionally nice man.  
Always cordial and humble carrying out his duties as I remember him as a deputy with the Middlesex County Sheriff’s Office.  
Would see him often at a lot of the school events. Especially polite and friendly.  
My father Roland really did like Mr. Bagby, plus he lived close by in our community of Jamaica, Va.  
Always conducted himself very professionally and I know he will be missed terribly.  
One of my best memories is seeing him driving his old Dodge pickup with the shiny moon hubcaps pulling his lawn mower trailer and I’m sure in knowing his character helping someone out with their yard  
The Middlesex community was blessed to have had him serve our county.  
Prayers to his family and loved ones.*
