

William "Billy" Scanlan Hart

February 20, 1949 - June 28, 2022

William "Billy" Scanlan Hart, 73, of Mattaponi, VA passed away June 28, 2022.

Billy was born in King and Queen County, to the late Walter and Lena Hart. He lived most of his life at his homeplace "Elmington Farm", on the Mattaponi River. He enjoyed boating, fishing and crabbing.

Billy was a friend to all and never met a stranger. He was known for his infectious laughter and smile. Billy retired from Rock Tenn after 40 years of service and was a member of West Point United Methodist Church. He was preceded in death by his parents and two brothers, Edward and Francis Hart.

Billy is survived by his wife of 49 years, Gudrun Hart; a daughter, Sabrina Dunn (David); a son, Paul Hart (LeAnn); the pride and joy of his life, his two grandchildren, Caleb and Madison Dunn who called him "Pops"; sister-in-law, Brigitte Hundley (Mark); brother-in-law, Joerg Paul (Cindy); and numerous nieces and nephews.

A special thanks to our neighbor Brenda Carter, and the Riverside Hospice Team, especially Tonya, Angela and Taylor, for all their care and loving support. We also thank our friends who have supported Billy through his illness.

The family will receive friends 4 to 6 PM, Friday, July 8th at Vincent Funeral Home, West Point, VA with a memorial service beginning at 6 PM. In lieu of flowers, memorials may be made to the West Point United Methodist Church Memorial Fund, PO Box 610, West Point, VA 23181 or the Lower King & Queen Fire Department, PO Box 187, Shacklefords, VA 23156.

“ *My family and I moved to West Point at the beginning of my 9th grade year. I was the new kid in a small school where everyone knew everyone, except me. But there was one upperclassman, Billy Hart, that always gave me a big smile and said hi whenever he passed me in the hall. That's the kind of thing you always remember. Thank you, Billy, for making that transition to a new school better for me. I know there are so many more people with wonderful memories of Billy whose smile and laughter touched us all. May those memories serve as a comfort now to everyone, especially his family. Sending much love.*

“ Where one journey ends, the next one begins. Off to a platform where there’s no more illness or heartache. A free spirit where illness doesn’t lurk and love and family is a true memory. His spirit will continue to live on and watch over the family. His laugh will echo the halls and the mind of everyone that knew him. And most important, he’s at true peace with a wealth of life, family, and friends by his side. Love to the Harts.

“ Gudrun, I remember when you and Billy started dating in High School, anyone could see you two were from different cultural backgrounds. His crazy self and a laugh that would rattle the dead, (excuse my choice of words but it was true) and your strong German accent and head strong personality. You two were the perfect opposite but perfect match. I really think there has never been anyone that graduated from West Point High that cheers and clapping when he walked across that stage with the big smile, we were all proud. What memories we all have of Billy, he was bigger than life but you and your children have long life of Joy, sadness, sweetness, arguments, and of course the laughter. I would say you two have had a 49 yr. old romance. I always loved seeing you together. May God's Peace and Comfort be yours in the days to come. You will need Him ever so close. Much Love, Sandra

“ I grew up going over to the Hart's house and that is where I first met Billy. Later in life, I went to work at Chesapeake Corp and ended up on #1 paper machine working alongside Billy. Most of the older guys on #1 wouldn't even give you the time of day, let alone try and help you learn the ins and outs of the machine, but not Billy. He would take time to answer your questions and usually it would end in a joke and a laugh. A laugh he would bring a smile to your face no matter what kind of mood you were in! I went over to see Billy about 2 months ago and he was still laughing even though he was struggling to breathe. I will cherish my memories of him at work and in life. Gudrun, Sabrina, Paul and grandchildren, Carmen and I are so sorry for your loss! We are going to be out of town when you have the service, so that is why I am posting on here. Take care!

“ My life got better when I got to know Billy Hart in high school. His smile and laughter was certainly known by many. I remember well in Windsor Eagle's class when Billy would always set behind Becky Fauber and comb her long hair. Windsor would say Billy is that all you have to do in my class? The biggest applause ever gotten at a senior graduation was when Billy strolled up there to get his much anticipated diploma. RIP old friend, you sure do deserve it. I sure hope there are tractors in heaven!

“ Gudrun and Family .. My heart is breaking just knowing what each of you are going through during this very sad time. I am thankful for having Billy in my life for the ton of years we shared as friends and partners in crime .. there are many fond memories of some of the stuff we did as we were growing up and some of the things we did back then kind of make my skin crawl today but that was the way we did things back then .. all in the spur of the moment ! I am going to miss the most contagious character but can only hope we meet again in another life !

“ Billy Hart was a friend of mine since high school who created many wonderful memories for me. He was so much fun to be around and his smile and laughter was contagious. We spent many fun Fourth of Julys at his and Gudrun’s home where he made his famous hamburgers with his special sauce. Then he topped off the night with fireworks!! It was fun for all adults and children. He was sometimes my partner in crime. 😊 We will have many memories to cherish and those who knew him know he is now at peace and comfort with his creator. Love to the family. 🙏
