“ Frances - Sorry to read in today's *Times Dispatch* of Bill's passing. I have pleasant memories of him during his time with the *Caroline-Hanover-King William Health District* - Dr. Hamner, Guy Vaughan, Ruth Neale, Cora Love, Frances Vaughan in Hanover and Dot Brooks, Frances Gatewood, and Douglas (?) Goforth in Caroline. Bill was always a joy to be around - pleasant and outgoing. I hope he had been able to enjoy retirement - free of serious health issues which affect so many seniors. My thoughts and prayers are with you and your family.

“ *I got to meet Mr. Jackson through Tim. Tim had mentioned his Dad to me a number of times and it was wonderful to meet him. From talking with him I got a sense of peace-fullness & Respect. My Dad always taught me you have to give respect to receive respect and I felt the respect he gave me & I in turn have the utmost respect for him. My Dad was also in the Navy. The 22nd was a year since my Dad went to heaven. I would like to think that My Dad and Mr. Jackson are sitting together, talking about the Navy, Scouting and our Families.*

“ *Thinking and praying for your family during this difficult time and understanding how hard it is to lose a loved one. I have the fondest memories of Mr. Jackson driving us to Deltaville and those Sundays he drove me into town to go to church. He never complained about having to wait around an hour to pick me up. To me that showed how much he respected my faith. God's blessings to everyone in his family*

“ My condolences to Bill's family. We were professional colleagues and peers at the Virginia Department of Health when Bill was working in Hanover and I in Henrico. I remember him as very experienced, knowledgeable, and a gracious mentor to a younger colleague... mvc

“ I remember going with the A. family to visit the home in Deltaville for a couple days. Mr. and Mrs. Jackson have always been incredibly hospitable and kind to me, and that has meant a lot. Mr. Jackson was clearly beloved by his family, and his family were deeply loved by him - that is very special. You are in my thoughts and prayers.

Love you.
