“ I wanted to make sure everyone knew the real Bill Newman. I posted this in 2016 and it was removed. As you can see Bill Newman had a lot of people fooled. He was proud of how he intimidated and manipulated friends, family members, employees and customers. He bribed shipping clerks with cash under the table to get pallet business. You see, I witnessed it all. He setup a 20 year employee named Anthony who was about to receive his retirement pension. Bill told him to put the company chainsaws in his trunk and to go his house on a Saturday morning to do yard work. When Anthony was leaving the pallet property, Bill had the New Kent County Sheriff's Deputy arrest Anthony for stealing company property and then fired him and had him prosecuted. Anthony lost his pension that he worked so hard to receive. You see, there was no pension. Bill lied and then set Anthony up so he wouldn't have a valid claim on his pension. He took one psychology class and bragged about how he used what he learned to manipulate everyone in his life. What a legacy. He made sure you knew he had tons of guns as an idle threat. He died and didn't leave his daughters a dime and left it to a mail order bride. Bill Newman was the most despicable man on the planet and Alice you didn't know the real Bill Newman. He bankrupted 3 individuals by lying to them to sign over their home and cars as collateral by promising they would make over \$200k per year if they put skin in the game. He bankrupted his own son in law. I saw it all. I had a young family or I would've turned him into the law but he made threats and as crazy as he was, I didn't want to deal with it. Thank God I never signed the same collateral notes. He pressured me but I refused. Folks, Evil Bill Newman is rotting in hell and he deserves it. I hope he is eternally in agony and pain for what I witnessed him do to family and employees. I hope Anthony got some form of blessing later in life. The man worked his butt off for Allied Pallet Company and was so loyal to Bill and this is what he got. Nobody deserves to be treated that way.

“ On behalf of the Gallimore-Newman family from Hillsville Virginia we would like to express our deepest sympathy for the loss of a kind and caring man Bill Newman. He was a wonderful step-son and step-brother to our family. There were many nice things he did that will not be forgotten. Prayers and thoughts from the Emma Newman and late Pete Newman family.

I am Pete Newman's granddaughter. He was a horrible, abusive alcoholic! He was unimaginably abusive to us a young girls and should have been held accountable for his actions! I guess he had a lot fooled. It makes me nauseous!

“ Bill was our neighbor for about twenty years. He was a good community member by always helping maintain our Kimages Wharf Road. Our personal relationship was very cordial and we shared occasional boat trips and road trips. He shared his garden and opened his home to us for visits. Even though he was a complex man, he enjoyed the simple things in life and loved his home. Our condolences to his family.

“ Bill was the father of three daughters & one stepson who adopted his name. He was the older brother to two brothers & an uncle. I am Lisa, the oldest daughter. He taught me how to ride a horse, how to use a firearm, & how to forgive. His imagination knew no boundaries & he was a dreamer! He often left us awestruck at the end of his charming tall tales. He could always make strangers feel welcomed & his manners were impeccable. He seemed to always know the right things to say to me when I would call late at night, heartbroken as a teenager. He'd say "go get you some sleep & I promise things will be better tomorrow." And they always were. For reasons we will never understand, Bill had great difficulty showing and receiving love. Myself and many others tried to help him navigate the rough parts, but he would always look for answers in the bottom of a bottle where there were none. We were estranged from him for reasons I don't feel the need to explain. I can't speak for others, but I know I forgave him and I prayed for him nightly. I wish he could have forgiven himself though. I believe he was once a very good and honorable man, and that he once knew how to love. I also believe his dying thoughts were those of regret. He was weak when he could have chosen to be strong. And maybe, just maybe, his life story would've been one worthy of retelling. Rest in Peace William Carson Newman. I can assure you that you were loved.

I was a commercial banker for Bill's company and knowing Bill for over 10+ years I must say I always enjoyed our conversations and I was very sorry to learn of his passing today. My thoughts and prayers are with his family and friends. Sincerely, Curt Straub

Bill Newman was a self made man. I know he loved his family because he spoke of them to me. I was one of his banker's and had many conversations with him. He even offered me a position at Allied Pallet Company. He was a good and honorable man and will be missed in New Kent County.

I am sorry for the family. But I am not sorry he is gone. The one truthful memory has been removed, but not before many could read it and feel relief.

I would love nothing more at the age of 51 to say I loved him. I cannot. I am the youngest of his 3 daughters biologically. Herman Cooke is my father in life. Bill did nothing but torture me for 21 years. He taught me to drink and what it meant to be evil. The ONLY good thing I learned is how to not let a man hurt me.

He was a horrible man , blamed me for things that were not my fault , had a detective follow me , then shoe up at my work when i was 17 and threatened me , his death is of no loss to the ones he terrorized , I do feel for the family of this evil man .

Wow I just learned today of Bill's death. And I will say I'm really not sad about it. This horrible man hurt my daughter more than words could discribe. He used money to fix things for someone in his family to get away with what they did to my 9 year old daughter. Reading

I didn't get to finish what I had to say. Reading the other comments about him from his own children The apple didn't fall far from the tree. I hope him and his father Pete Newman are enjoying hell together. I'm sure his nephew David and brother Bobby are enjoying the money he paid them to keep quiet. This horrible man was evil.

Peggy burkindine newman - March 29, 2021 at 07:08 PM

Wow. I am Bobby's step daughter from Rose. What horrible people you are for saying such disgusting things. May god forgive you. FYI.... Bobby received nothing. You disgusting flick of trash Horrible, horrible people. He was still loved. Bobby just found out about his brother. If you have nothing nice to say. Say nothing. I can't imagine what is to be said at your memorial! HORRIBLE!

Alice! I am his daughter Tawni. You have no clue to what that evil man put his own daughters through. It's so horrific It's too graphic to put on here!! Until you've been through it and had years of suffering and therapy, keep your opinions to yourself! And by the way...we received absolutely nothing from him!

So Alice. Did you even know Bill? And Bobby found out his own brother died years after? What does that tell you? Honesty does not equal horrible. Honestly. You don't know anything. 21 years of pain is what I felt. 21 years! My mother - God rest her soul forgave him. I cannot.

After reading follow up comments, I felt it was necessary to clarify I was trying to be as kind as possible in my original post above. Bill and his father Pete did unspeakable things to little girls. Bill abused his own young daughters too. I know the facts because I was there. I also worked for the court system and know for a fact Pete Newman received a conviction for molesting a young girl in Bobby's family. I have no doubt Peggy is speaking the truth. Same holds true for my sisters, Tammi & Tawni. The truth isn't always pretty. I did not want this to be his legacy, but it is the path he knowingly chose.
