“ *I did not have the pleasure of meeting Mrs. Touray but knew of her through her daughter, Saffie, whom I met in high school. I'm certainly sorry to hear of her passing but I am assured that she is walking the roads paved in gold and is in awe just sitting with our father. To be absent from the body, is to be present with the Lord. She is where there is no pain, no sorrow, no sickness and no hurt. She is reconnected with her husband, parents and friends and family that has gone on before her. To Saffie and the rest of of the family here, my prayer is for comfort during this time of loss. As a person whom has loss a mother and a father, I would encourage you to grieve and don't measure your grief with anyone else's. Take your time and allow yourself to go through ALL the motions.
