“ It is with deep sorrow to hear of the passing of (Bug) which he was like a father to me. I moved to Charles City in 1976 and they were one of the first families that I met. I can truly say that Bug and Ollie and the whole family took me in as the other daughter, sister and friend and for that I am truly thankful and to this day nothing has changed. I will always remember the good times that we shared with #2 Daddy as he is called by Christine and Crystal. With all my love to my sisters and brothers.

Sincerely, Janet
