“ Wyatt was a third cousin to the family of Daniel Adams. We lived up through the woods from Uncle Archie and shared many good times with Wyatt and all of the cousins who lived with him. Wyatt was a friendly little boy and fifty some years later he was still the Same wherever you saw him. He will be missed. Ann Adams Johnson

“ As a first cousin less than a year younger than me, Wyatt and I experienced many of the same Adams' family memories. We shared special times and holidays with our grandparents, Archie and Dolly Adams at their farm in Charles City County and with our many aunts, uncles, cousins, and our own siblings. I am so sorry to say goodbye, Wyatt, but I know you are now with all those I still miss and remember. Until we meet again...God bless you. You will not be forgotten. Love, Shirley
